

Polymer Logistics

## Dolly Family

Our eco-friendly, thoughtfully designed dollies bring savings in transport and storage costs.

- Revolutionary 'one-touch' dollies that function as BOTH transport and an attractive in-store display
- Ideal for picking orders at your depot for direct to store.
- Designed to replace conventional shelving eliminating both time & cost of stacking while increasing sales due to product availability.
- Easily maneuvered, eliminating the need for dedicated handling equipment.
- Pop-up/rims system - to secure your trays and crates - upon request.
- Easy-to-clean polymer - resists moisture, insects and fungi; Impervious to acids, fats, solvents and odors.
